

MYDUKUR,

12/01/2023

I, RATALA NARASIMHA PRATHAP working as WWDS in vinayakanagar sachivalayam .

Today I on my enquiry found that a beneficiary MODIGARI SREELATHA is eligible for Y.S.R pension kanuka.

And found that they enrolled their adhar card in 2012 with one date of birth and found it was updated to another in 2015. So on my assurance I am supporting to apply for the pension scheme as it is a widow pension.

And I found that it is showing some error while applying by entering the 2 date of births .

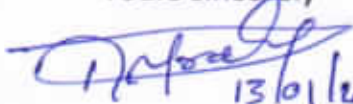

So on my assurance and on my complete responsibility am supporting to apply the pension scheme by entering only one date which is the updated one as the portal is asking for only corrected date of births.

(I am doing this to help the beneficiary who is really eligible and really genuine.....)

If any issue found in i I will take the complete responsibility to recover the money

Thanking you ,

Yours sincerely
